Dear Sara,

We just want to thank you again for all the help and guidance you provided for the Del Norte High School class of '67 reunion at the Sheraton. You were just amazing! You were always there to help us, answer questions and make great suggestions. We felt our reunion was very successful because of you and the special crew you work with. We owe a particular thanks to R.J., Blanca and Sergio. They were very courteous, helpful and willing to make small, last minute changes! The front desk was also very courteous and helpful.

We hope you will continue to advance in your chosen career because you're a "natural". Thanks again and we hope to return for our 50th!

Sincerely,

Gary Sandoval
